

EXPERIENCE

Web Design Intern

Houston Astros | Houston, TX Jun - Aug 2023

- Worked as the sole designer in a team of seven engineers on the Astros' internal website.
- Communicated with and designed tools for several different departments within the Astros, including scouts, analysts, performance scientists, and coaches.

UI/UX Designer

O | Tokyo, Japan (Remote) Mar - Jun 2022

- Worked with a team of 3 other designers to create the product, ME, for the startup company, O, for about 5 hours per week.
- Used Adobe XD to mockup and prototype screens, as well as create a style guide for the product.

Product Design Intern

Hitch | Austin, TX Jun - Aug 2021

- Designed two landing pages from scratch for Hitch's new products: Hitch Premier and Going Anyway Driver.
- Designed the "trip history" page for the Hitch mobile app from scratch using **Figma**.
- Collaborated with Hitch illustrators and graphic designers to create the best products possible.

Small Business Owner

cocomicap | Etsy + Instagram Jul 2022 - present

- Handled all aspects of business, from idea conception, to creation, to sale, to branding and social media presence.
- Communicated with both customers and other sellers to create custom orders and coordinate trades.
